The artists will perform from a stage with a huge video screen behind them to compliment their act adding to the experience.

## Bringing Musical Activities To Care Facilities In The Community

## Behind The Scenes

### Stormz Community CIC

As organisers this non profit organisation has chosen to work with experienced, professional partners who are guaranteed to bring you a fun and entertaining show to remember. With a little help from their friends they will take you back in time, promoting engagement, reminiscence, exercise, fun but above all wellbeing through music .

### Chabble Activities Team ([www.chabble.co.uk](http://www.chabble.co.uk))

For several years the Chabble activities team have been carrying out activity workshops in care facilities around the country to compliment their award winning technology and app for people with a variety of conditions and for activity/care staff. With the Covid 19 restrictions on visiting homes they have all come together to promote this great show and provide resources so viewers can join in and interact .

### Ratio Studios (Production)

The Ratio team are essential to add the stage, sound and visual effects to the show. They are one of the UK's most versatile producers of live, online and hybrid events. Ratio have produced some amazing shows for some of the best known names in the world and will guarantee a great experience for both the performers and the audience
